Forecast For East of England
Issued by Met Office Exeter
at 0400 on Wednesday 17 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with outbreaks of rain today.

Today:
Mostly cloudy with patchy light rain slowly clearing east this morning. Some sunny spells possible in northern counties this afternoon before rain returns for all parts later. Maximum temperature 12 deg C (54 deg F).

Tonight:
Further outbreaks of rain initially, as winds become strong once again. Cloud and rain clearing by midnight, with a chance of the odd shower in the early hours. Minimum temperature 6 deg C (43 deg F).

Thursday:
A band of rain will progress east through the morning, clearing early afternoon to bright spells and some sunshine. Generally mild by day but clear and cool overnight. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Changeable and often windy with rain likely each day. Some bright or sunny interludes. Generally rather mild with a chance of the odd overnight grass frost.
